

# Sports Fan Tailgate Table

## **Tech Spec's**

- Quickly attaches to hitch receiver with standard hitch pin (5/8" pin for 2" receivers, 1/2" pin for 1 1/4" receivers).
- Included Hitch Wedge insures a tight fit between the table and hitch receiver for a solid table. NO WOBBLE
- Simple adjustment to dining or bar height (no add-on parts for height adjustment).
- Dining height from ground: 30" (depending on receiver height)
- Bar height from ground: 42" (depending on receiver height)
- Table folds flat during transit.
- Extends approx. 10.5" from receiver in transit position.
- Easily pivots down for vehicle cargo area access.
- Table top surface dimensions: 20" deep x 48" wide.
- Supports up to 50 lbs. of food and beverages.
- Frame constructed of tough, powder coated carbon steel.
- Frame color: black
- Table top material: UV weather-resistant HDPE
- Table top color: granite-textured gray
- Only weighs 22 lbs.
- Vinyl travel cover to protect the table top. Keeps table surface clean from road grime and ready to use. Can be imprinted with your team's logo.
- Models available for 2" and 1 1/4" hitches.
- Ships at actual weight of 23 Pounds. No oversized shipping costs.

## **Maintenance and Cleaning**

Do not use abrasive or caustic cleaners on the table tops or support frame. For best cleaning results use hot water with liquid dish detergent. To sanitize the table tops use a mixture of 3/4 cup household bleach to 1 gal. water.

## **Storage**

- Store the Sports Fan Tailgate Table with a travel cover to keep a clean top.
- For quick and efficient storage for all your hitch-mounted gear check out the Boone Dock Family of hitch gear storage solutions.
